MEMBERSHIP APPLICATION

I, the undersigned, do hereby apply for membership in the National Irish Freedom Committee (NIFC). I agree to abide by and support the organization's aim and objectives as stated below. I agree to an application fee of \$20. I understand that the fee will be refunded if my application is not approved.

Aim

The aim of this organization is to preserve our Irish-American cultural heritage and Fenian traditions, and further the cause of Irish freedom and reunification in compliance with traditional Irish Republican values and principles as defined by Wolfe Tone in 1798, using all legal means at our disposal, as did our exiled forebears.

Objectives

- To provide a medium to raise the cultural and historical level of awareness amongst those of Irish heritage to ensure that our cultural heritage, values, and Fenian traditions are preserved for future generations of Irish-Americans.*
- To support, through Cabhair in Ireland, the dependants of Irish Republican Political Activists who are harassed and prosecuted by British and Irish authorities for promoting Eire Nua.*
- To increase awareness in the U.S of the Irish authored Eire Nua political program and the proposals contained therein to achieve a just and lasting peace in Ireland in the context of a British withdrawal.*
To engage political leaders, the media and the American public in bringing pressure to bear on the U.S. government to reverse its selective visa denial policy directed at Eire Nua proponents.
